Dear Sir/Madam,

**Nationally Significant Infrastructure Project Dogger Bank South Offshore Wind Farms EN010125-000181 ExA Question CA.1.10**

National Highways has undertaken a review of the Book of Reference Volume 4, February 2025 (Revision 5).

There is no lands referenced that are in the ownership of National Highways, so we have no comments to offer for the Compulsory Acquisition of Temporary Possession for land sought by the applicant.

I trust this response is helpful, but should you require any further information please do not hesitate to contact me.

Yours sincerely,

*Becky Garrett*
