Dear Sir or Madam

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 17

Application by Cory Environmental Holdings Limited for an Order Granting Development Consent for the Cory Decarbonisation Project

Planning for New Energy Infrastructure - Revised draft National Policy Statements for energy infrastructure

I am writing under Rule 17 of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) to request if there are any views any interested party may wish to make in light of the publication by the Department for Energy Security and Net Zero, on 24 April 2025, a consultation on revised draft National Policy Statements, including EN-1: Overarching National Policy Statement for energy.

The consultation can be found here:

<https://www.gov.uk/government/consultations/planning-for-new-energy-infrastructure-2025-revisions-to-national-policy-statements>

Should you wish to make any, please provide any relevant comments and any views on the weight to be given to the consultation draft document.

The ExA recognises the short notice and limited time remaining within the examination for any representations, but please provide any response to this letter by Deadline 6, that is 29 April 2025, at the latest.

If necessary, please provide any comments you may wish to make on other interested parties' responses by Deadline 7, that is 2 May 2025.

Yours faithfully,

Geoff Underwood
