1. OVERVIEW

- 1.1.1. This Application Document Tracker has been prepared on behalf of the Applicant to support an application for a Development Consent Order (DCO) for the Cory Decarbonisation Project ('the Proposed Scheme') that has been submitted to the Secretary of State (SoS) for Energy Security and Net Zero (DESNZ) under section 37 of the Planning Act 2008 (PA 2008).

2. INTRODUCTION

2.1. PURPOSE OF THE DOCUMENT

INTRODUCTION

- 2.1.1. Tables 1.1 to 9.1 below provide a full list of all documents submitted with the Application. This includes the revision numbers for each document and the relevant statutory provision that the documents are submitted pursuant to.
- 2.1.2. This document is intended to be a live document and the tables will be updated accordingly whenever new or additional revisions are submitted following acceptance of the Application or during the examination.
- 2.1.3. The tables included show the latest version of each document highlighted in green. Superseded versions will be shown greyed out. The tables will be updated to include the relevant examination library reference for each document once these become available on the Planning Inspectorate's website.

NAVIGATING THIS DOCUMENT

- 2.1.4. For ease of navigation, Tables 1.1 to 9.1 are colour coded as follows:

Category
1. Application form
2. Plans
3. Draft Development Consent Order
4. Compulsory Acquisition
5. Reports
6. Environment Statement
7. Other Documents
8. Post Section 51 Response & Statements of Common Ground
9. Post Section 51 Response and Examination Documents

- 2.1.5. This document should be read in conjunction with the **Application Guide (Document Reference 1.3)** and the **Electronic Application Index (Document Reference 1.5)**.

Category
Documents highlighted in green are the latest versions
Greyed out documents are superseded

FIGURES AND APPENDICES

- 2.1.6. A number of figures and appendices associated with the Application documents are submitted as standalone submission documents. This is due to their file sizes. These fall under the same reference numbers as the title document but are split into “Parts” accordingly.
- 2.1.7. The appendices are individually listed in the Electronic Application Index; however, due to their large number, they are not individually listed in this Application Document Tracker.
- 2.1.8. Should any of the above figures or appendices be updated after submission of the Application, the updated figure or appendix with its new revision number will be listed in Tables 1.1 to 9.1 below.
