Date: 17 October 2025

Dear Examining Authority,

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 Application by Cory Environmental Holdings Limited (“the Applicant”) for an Order granting Development Consent for the proposed Cory Decarbonisation Carbon Capture Facility (“the Cory Decarbonisation Project”).

ALL INTERESTED PARTIES CONSULTATION

Following your letter dated 23 September 2025 inviting all Interested Parties to comment on the additional information provided, we have reviewed your request for information letter dated 2 September 2025. We can confirm that the updated National Flood Risk Assessment published by the Environment Agency will not have any implications to the conclusions made in the Environmental Statement Chapter 11 [REP6-014] and the Flood Risk Technical Note Breach Assessment Scenario.

Based on this we are satisfied that the documents remain acceptable and do not expect the Applicant to provide revised documents

I can confirm that we have reviewed the additional information submitted and have no further comments to make at this time.

If you have any questions, please contact me.

Yours sincerely

Planning Specialist
