Dear Mr Wheadon

Outer Dowsing Offshore Wind (the trading name of GT R4 Limited) (the “Applicant”)

Proposed Outer Dowsing Offshore Wind Farm Order (“Order”)

Mills & Reeve continue to be retained by T.H. Clements and have been instructed to respond to DESNZ's letter of 12 August 2025 (“**Letter**”) on T.H. Clements' behalf.

T.H. Clements welcome the consideration that is being given to the matters of significant concern that were raised with the Examining Authority during the Examination of the proposed Order and is grateful for the opportunity to submit further information in that regard to the Secretary of State.

We write to confirm that T.H. Clements and the Applicant have agreed Heads of Terms for a voluntary agreement. As such, at this stage, T.H. However, in the event that the agreement is not finalised by 9 September, we will write back to you to confirm the position at which point we would wish to seek further time to submit the requested information in the Letter.

Obviously, if the agreement is completed by 9 September, T.H. Clements will be in a position for formally withdraw its objection to the Order and would not need to request further time to submit the requested information in the Letter. We will provide a further update either way by 9 September 2025.
