Dear Secretary of State,

**PINS Reference: EN010130**

In the Request for Information (RfI) -reference EN010130, issued to GT R4 Limited (Outer Dowsing Offshore Wind Farm) dated 24 November 2025, question 19 is directed to the DBS East and DBS West Offshore Wind Farms:

*19. Dogger Bank South Offshore Windfarm is invited to comment on the potential for a collaborative approach to post-consent ornithology monitoring and provide an update on the outcome of any discussion related to the Secretary of State's request to the Applicant in paragraph 20.*

It is our understanding that this refers to the Offshore In-Principle Monitoring Plan – Offshore Ornithology which discussed in paragraph 16 of the RFI letter.

RWE Renewables UK Dogger Bank South East Limited and RWE Renewables UK Dogger Bank South West Limited are developing the Dogger Bank South (DBS) Offshore Wind Farms.

In response to the question 19 of the RFI, RWE Renewables UK Dogger Bank South East Limited, RWE Renewables UK Dogger Bank South West Limited and GTR4 Limited (Outer Dowsing Offshore Wind Farm) have produced the following joint statement:

An MoU is in place between GT R4 Limited (Outer Dowsing Offshore Wind Farm) and DBS Offshore Wind Farms in order to facilitate collaboration between the parties. At the appropriate post consent stage, the Applicant and DBS Offshore Wind Farms will explore options to work collaboratively to deliver post-consent ornithology monitoring.

Yours sincerely,
