Dear Sir / Madam

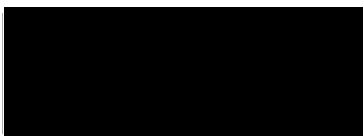

**Application by EPL 001 Limited: Stonestreet Green Solar (Application Reference: EN010135)  
Southern Water Services Limited  
Withdrawal of Objection**

Southern Water Services Limited submitted a Relevant Representation regarding the above application for a Development Consent Order.

We have now agreed the protective provisions for SWS' benefit and the Promotor has submitted these to the Examiner.

On the basis that the agreed protective provisions are included on the face of the Order should it be made (save for any grammatical, formatting or cross-referencing changes which may be required), SWS hereby withdraws its objection to the Order.

Yours sincerely

Sally Drury-Smith
