To whom it may concern,

**Morgan Offshore Wind Project: Generation Assets – EN010136 – Response to the Report on Implications for European Sites (RIES)**

Thank you for consulting JNCC on the Morgan Offshore Wind Project Report on Implications for European Sites.

The advice contained within this minute is provided by JNCC as part of our statutory advisory role to the UK Government and devolved administrations on issues relating to nature conservation in UK offshore waters (beyond the territorial limit).

In response to the Examining Authority's question ID 3.3.8, please see ornithology comments below.

## Ornithology

JNCC are content that the appropriate ranges of displacement and mortality have been presented for black-legged kittiwake, Manx shearwater, common guillemot and razorbill.

Please contact me with any questions regarding the above comments.

Yours sincerely,

**Erin Sherratt**

**Offshore Industries Adviser**
