Dear Sir/Madam,

We are instructed to act on behalf of BAE Systems Marine Limited and BAE Systems (Operations) Limited (together, "**BAE Systems**") in connection with the above-mentioned Project.

We last wrote to the Secretary of State on 3 July 2025 and made submissions in response to his request for information dated 19 June 2025. Since this date, the Secretary of State has issued two further letters, namely: (i) a letter dated 18 July 2025 inviting all Interested Parties to comment on the information provided in response to his information request of 19 June 2025 (with the deadline for responses being 23:59 today) ("**Letter 1**"); and (ii) a letter dated 25 July 2025 requesting "*final agreements*" from several parties, including BAE Systems, in respect of the wording of the Requirements to be included in the final DCO for the Project (assuming the grant of development consent is forthcoming), as well as commercial negotiations with the Applicant (with the deadline for responses being 23:59 on 8 August 2025) ("**Letter 2**").

Given that the Secretary of State's request, subject of Letter 2, is specifically directed to our client, we are instructed to provide a full response, and to make a detailed set of submissions, in respect of this request. We intend to do so in due course (and by no later than the 8 August deadline). For completeness, we confirm that our client has taken the decision not to submit a separate response to Letter 1 at today's deadline.

We trust this is in order and should be grateful if you would confirm receipt of this communication.

Kind regards.
