Annwyl / Dear John,

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010

Application by Morgan Offshore Wind Limited (“the Applicant”) for an Order granting Development Consent for the proposed Morgan Offshore Wind Project: Generation Assets (“the Proposed Development”)

REQUEST FOR INFORMATION

Following discussion with the applicant we note that it may be useful to provide you with clarification regarding our response (dated 23 July 2025) to your information request of 18 July 2025.

Despite the mismatch that we and JNCC noted between REP6-057 and REP-066 , we advise that we do still agree with the conclusion of no adverse effect on site integrity (AEoSI) from the Morgan Generation Assets project alone and in-combination for any features of any Welsh SPAs/Ramsar sites.

Please do not hesitate to contact [REDACTED] cyfoethnaturiolcymru.gov.uk and [REDACTED] cyfoethnaturiolcymru.gov.uk should you require further advice or information regarding the above.

Yours sincerely
