DATE: 08 APRIL 2025

The Secretary of State received a request dated 30 January 2025 from Indaver Rivenhall Limited for the correction of errors in the Rivenhall Generating Station Extension Order 2024 ("the Order"), under section 119 of, and Schedule 4 to, the Planning Act 2008.

The Secretary of State has made the following corrections to the Order:

Corrections to Article 2(1)

1. Part 1, Article 2(1) – Interpretation

Definition of "the 2006 Act" is removed.

Secretary of State's rationale:

The definition is not referred to in the Order.

2. Part 1, Article 2(1) – Interpretation

Definition of "holding company" is removed.

Secretary of State's rationale:

The definition is not referred to in the Order.

3. Part 1, Article 2(1) – Interpretation

Definition of "subsidiary" is removed.

Secretary of State's rationale:

The definition is not referred to in the Order.

Correction which the Secretary of State has not made

4. Part 1, Article 2(1) – Interpretation

Definition of "*approved variation*" from "means any variation to the TCPA permission granted by the relevant planning authority pursuant to section 73 or section 96A of the 1990 Act, provided such works do not give rise to any materially new or materially different environmental effects to those identified in the environmental information" to "means any variation to the TCPA permission granted before or after the date of this Order by the relevant planning authority pursuant to section 73 or section 96A of the 1990 Act, provided that: (i) the development permitted by such variation when carried out in conjunction with the authorised development does not give rise to any materially new or materially different environmental effects to those identified in the environmental information; or (ii) in the event that it does give rise to such environmental effects, an environmental impact assessment has been carried out in respect of those effects prior to the grant of the variation".

Secretary of State's rationale:

The correction has not been made as the Secretary of State does not consider that the definition was an error. The Secretary of State intended to include the

definition and it is therefore not possible to make the change as a correction under Schedule 4 to the Planning Act 2008 as requested.
