1. Introduction

Table 1.1: Revisions to the Land and Crown Land Plan

Revision	Reason
Correct mislabelling of Plot 45 as Plot 47 on Sheet 4.	National Grid Transmission (NGT) stated in their Relevant Representation [RR-123] that they have rights over Plot 47 however they are not listed as having so in the Book of Reference. The Applicant has identified the cause of this issue as the mislabelling of Plot 45 as Plot 47 on Land and Crown Land Plan Sheet 4 [APP-014] , NGT have rights over Plot 45 as marked on the revised Land and Crown Land Plan Sheet 4 (previously marked as Plot 47). The Book of Reference therefore does not require amendment, as it correctly lists NGT as having rights over Plot 45.
Correct mislabelling of Plot 46 as Plot 24 on Sheet 2.	Plot incorrectly labelled on the previous submission version of the Land and Crown Land Plan [APP-014] .
Updated the OS licence date.	OS licence date has changed since the previous submission version of the Land and Crown Land Plan [APP-014] .
Updated the TQ address.	TQ address has changed since the previous submission version of the Land and Crown Land Plan [APP-014] .
