Book of Reference – Schedule of Changes

February 2025

Helios Renewable Energy Project

This document is a Schedule of Change which outlines updates to the Book of Reference (BoR) since Version 2 submitted 06/01/2025.

The v2.0 column displays the current value as at Version 2 and the v3.0 column depicts what the new change will look like in the revised BoR.

It should be noted that the BoR is a document that will need to be updated throughout the Development Consent Order process to reflect changes in ownership or other interests in the land, further responses to diligent enquires, or clarifications to what is shown in the previous BoR.

Note: this covers changes from 6th January 2025 to 21st January 2025.
