Good morning.

I hope this gets to you ok as my Council Laptop is not working properly at the moment. The consultation period is still open I believe and I have been waiting for a final parish meeting before responding.

As of last night all 3 main parish councils, namely Camblesforth, Carlton and Hirst Courtney have all stated that there is no common ground between them and the applicant. The simple fact of the matter is that the applicant has not turned up to present themselves at a single one of the Parish Council meetings which are held monthly at of them and every 6 weeks at the other. They show absolutely no interest in working with them or the residents other than by email.

Regards
