Good morning

I have written on a number of occasions with no reply to forward my formal objection

I live in the direction of this site and I run a PEACEFUL RURAL CAMPSITE I am horrified that this site application is in this will destroy my business & it's total worth

Should this go ahead I will hold Helios responsible for the total worth of the value of my current businesses I'm happy to provided the valuations

This noise pollution absolutely will kill my business 100% it cannot go ahead
