You don't often get email from [REDACTED] [Learn why this is important](#)

Hello there

Thank you for your reply,

I have actually emailed a number of times and placed an objection on the public access with the local council. This was an additional objection directly with you.

I am a very local camp site 1 field away and the noise generated is going to destroy my business, literally destroy it.

I beg this is listened too

Lisa and Dean Howsam
