

**Planning Act 2008**

**The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017**

**Certificate of compliance with regulation 16**

---

I hereby certify that, in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 –

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16.

– in relation to the application for an order to grant development consent for the East Park Energy project (the “Scheme”). The Scheme comprises a new ground-mounted solar photovoltaic energy generating station and an associated on-site BESS on land to the north-west of St Neots within the administrative areas of Bedford Borough Council, Huntingdonshire District Council and Cambridgeshire County Council. The Scheme also includes the associated infrastructure for connection to the national grid at the Eaton Socon National Grid Substation.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b))
