Dear Sir/Madam

### WRITTEN REPRESENTATION

**Project:** East Park Energy

**Applicant:** BSSL Cambsbed 1 Limited

**Your Ref:** EN010141

Dear Sir/Madam

Huntingdonshire District Council (HDC/The Council) is submitting its Local Impact Report (LIR) at Deadline 1 alongside this Written Representation. The LIR provides the Council's full assessment of the likely local impacts of the East Park Energy Project and should be taken as HDC's primary statement of its position at this stage. Given the level of detail contained within the LIR, this Written Representation does not repeat that assessment.

HDC will continue to engage constructively with the Applicant and the Examining Authority throughout the Examination. The Council reserves the right to submit further representations as additional information emerges and will work with the Applicant in drafting the Statement of Common Ground.

#### Conclusion

HDC supports renewable energy development in principle, subject to the matters identified in the LIR being satisfactorily addressed and appropriately secured through the Development Consent Order.

I trust that this information is of assistance to you. Should you wish to discuss this matter further then please contact [REDACTED] by email: [REDACTED]@huntingdonshire.gov.uk.

Yours Sincerely

[REDACTED]
