## 1.0 INTRODUCTION

### 1.1 Purpose of this Document

- 1.1.1 This Book of Reference relates to BSSL Cambsbed 1 Limited (“Brockwell Storage and Solar”) (company number 13941201) (the “Applicant”) application to the Planning Inspectorate under the Planning Act 2008 (the “2008 Act”) for the East Park Energy Order (“DCO”). If made, the DCO would grant consent for the Applicant to undertake the East Park Energy (the “Scheme”).
- 1.1.2 A detailed description of the Scheme can be found in **ES Vol 1 Chapter 2: The Scheme [EN010141/DR/6.1]**.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the "2009 Regulations"), as amended, and in accordance with the Department for Communities and Local Government guidance 'Planning Act 2008: Guidance related to procedures for compulsory acquisition' (September 2013). It has also been prepared in accordance with regulation 7 of the 2009 Regulations.
- 1.1.4 As this Book of Reference is part of the application documentation it should be read in conjunction with the **Land ~~and Crown Land~~ Plan [EN010141/DR/2.2]**, the **Statement of Reasons [EN010141/DR/4.1]** and the **draft DCO [EN010141/DR/3.1]**.
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts is described in the next chapter, together with a brief commentary on how the requirements in the Regulations and the related definitions in the 2008 Act have been interpreted and applied to the collation of each Part of the Book of Reference.

- 1.1.6 All plot area measurements in this Book of Reference are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.

## 2.0 BOOK OF REFERENCE DESCRIPTION

### 2.1 Part 1

- 2.1.1 Part 1 of the Book of Reference is described in Regulation 7(1)(a) of the 2009 Regulations, as follows;

*“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to –*

- i. powers of compulsory acquisition;*
- ii. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- iii. rights to carry out protective works to buildings”*

- 2.1.2 Part 1 of this Book of Reference contains the names and addresses of each person within Categories 1 and 2, as set out in Section 57 of the 2008 Act, along with the area of each plot of land in which the development will be carried out.

- 2.1.3 A person is within Category 1, as defined in section 57 of the Planning Act 2008, if the applicant after making diligent inquiry, knows that they are an owner, lessee, tenant, or occupier of the land. A person is within Category 2 if they are interested in the land or have the power to sell and convey or release the land.

2.1.4 The description of each plot also includes the reference to the principal land use power(s) sought in the draft DCO in respect of that particular plot:

- In respect of plots shaded blue on the **Land and Crown Land Plan [EN010141/DR/2.2]**, where the Applicant proposes to create and acquire new rights over land or extinguish or suspend private rights (including the right to impose restrictive covenants to protect the new cable corridor), the plot description includes this wording: "Acquisition of rights over...";
- ~~In respect of plots shaded blue and purple hatch on the **Land and Crown Land Plan [EN010141/DR/2.2]**, where the Applicant proposes to create and acquire new rights over land or extinguish or suspend private rights (including the right to impose restrictive covenants to protect the new cable corridor), the plot description includes this wording: "Acquisition of rights over (excluding all interests of the crown)...";~~
- In respect of plots shaded green on the **Land and Crown Land Plan [EN010141/DR/2.2]**, where the Applicant proposes to possess and use land temporarily, the plot description includes this wording: "Temporary possession and use of..."
- ~~In respect of plots shaded green and purple hatch on the **Land and Crown Land Plan [EN010141/DR/2.2]**, where the Applicant proposes to possess and use land temporarily, the plot description includes this wording: "Temporary possession and use of (excluding all interests of the crown)..."~~

2.1.5 The categories of wording described above cross-refer to articles in the draft DCO as follows:

- “Acquisition of rights over...” – the creation and compulsory acquisition of new rights over land pursuant to article 23 of the draft DCO.
- ~~“Acquisition of rights over (excluding all interests of the Crown)...” – the creation and compulsory acquisition of new rights over land pursuant to article 47 of the draft DCO.~~
- “Temporary possession and use of...” – the temporary possession and use of land for the purposes of constructing the authorised development pursuant to article 30, and for the purposes of maintaining the authorised development pursuant to article 31 of the draft DCO.
- ~~“Temporary possession and use of (excluding all interest of the Crown)...” – the temporary possession and use of land for the purposes of constructing the authorised development pursuant to article 30, and for the purposes of maintaining the authorised development pursuant to article 31 of the draft DCO.~~

2.1.6 The information above (in paragraphs 2.1.4 and 2.1.5) is summarised in the following table:

Colour of plot on Land Plan	Wording used in BoR plot description	Land use power sought	Principal relevant DCO article

## 2.2 Part 2

2.2.1 Part 2 of the Book of Reference is described in Regulation 7(1)(b) of the 2009 Regulations as follows;

*“Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57”*

2.2.2 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act. A person is within Category 3 if the Applicant believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57(6) of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory Purchase Act 1965, a claim under Part 1 of the Land Compensation Act 1973, or a claim under section 152(3) of the 2008 Act.

2.2.3 After carrying out diligent inquiries and having carefully assessed the likely significant environmental effects of the proposed Scheme, the Applicant does not consider that any person would be entitled to make a claim under part 1 of the Land Compensation 1973 or under section 152(1) of the PA 2008 in relation to the following factors:

- Noise – in light of the results of a noise assessment carried out as part of the ES, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in ES Vol 1 Chapter 10 Noise and Vibration [APP-046].
- Vibration – in light of the results of an assessment of vibration carried out as part of the ES, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in ES Vol 1 Chapter 10 Noise and Vibration [APP-046].

- Fumes – in light of the results of an assessment of the proposed Scheme’s impact on air quality and the emission of fumes as a result of the proposed Scheme, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in ES Vol 1 Chapter 11 Air Quality [APP-047] and Appendix A of the outline Battery Safety Management Plan [APP-162].
- Smoke – in light of the results of an assessment of the proposed Scheme’s impact on air quality and the emission of smoke as a result of the proposed Scheme, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in ES Vol 1 Chapter 11 Air Quality [APP-047].
- Light emissions – in light of the results of an assessment of the proposed Scheme’s impact on visual amenity, there are no Category 3 land interests as part of the proposed Scheme. Further information on this is provided in ES Vol 1 Chapter 5 Landscape and Visual [APP-041].

2.2.4 Part 2 of the BoR therefore includes all relevant interests with the potential to make a claim under section 10 of the Compulsory Purchase Act 1965 or under section 152(3) of the PA2008, by reason of having the benefit of a right or restrictive covenant over land within the Order limits that may be affected by the compulsory acquisition powers sought by the Applicant.

2.2.5 Consequently, Part 2 of the BoR does not refer to any interest in land that are outside of the Order limits.

---

## 2.3 Part 3

2.3.1 Part 3 of the Book of Reference is described in Regulation 7(1)(c) of the 2009 Regulations as follows;

*“Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with”*

2.3.2 Part 3 of this Book of Reference contains the names of all those with easements or other private rights over land which it is proposed shall be extinguished, suspended or interfered with pursuant to the exercise of powers in the DCO.

2.3.3 Certain relevant category 2 persons included within Part 1 of the Book of Reference have also been included within Part 3 where their rights may be considered to be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

## 2.4 Part 4

2.4.1 Part 4 of the Book of Reference is described in Regulation 7(1)(d) of the 2009 Regulations, this states;

*“Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made”*

~~2.4.2 The Order limits include Crown Land held by The Secretary of State for Environment. We believe the successor department would be The Secretary of State for Transport. No crown land has been identified within the order limits.~~

## 2.5 Part 5

2.5.1 Part 5 of the Book of Reference is described in Regulation 7(1)(e) of the 2009 Regulations, this states;

*“Part 5 specifies land –*

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land;*
- iii. which is replacement land”*

2.5.2 Part 5 of this Book of Reference specifies land that the acquisition of which may be subject to special parliamentary procedure, is special category land or is replacement land.

2.5.3 No special category land has been identified that would be affected by the Scheme.

## 2.6 Book of Reference Notes

- 2.6.1 Part 1 of this Book of Reference provides the area in square metres of each plot of land included in the DCO. All plot measurements should be read as being approximated. This is because these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 2.6.2 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land ~~and Crown Land~~ Plan sheet on which the plot is located. The second number differentiates between each plot sequentially. The numbers given to each plot are generally assigned from west to east across each sheet.
