

Concerns raised during the examination have NOT been properly addressed.

The impact on RoW and the beautiful surroundings have not been recognised.

The long term loss of productive agricultural land has been ignored - we have to eat

Questions in regard to battery storage have been significantly underregarded - toxic fumes, fire risk, water supply, emergency planning.

Gas pipeline and gas concerns ignored - no insurance indemnity requests acknowledged.

Planning Inspector route failed to take into account the visually splendid walk along the ridge from Church Lane which takes in a large proportion of the proposed plan.

How many times does one have to say NO to this totally ill thought out proposal?
