Dear Sirs

DCO Scheme: East Park Energy Project

Our client: Network Rail Infrastructure Limited

Applicant: BSSL Cambsbed 1 Limited

Subject: Network Rail Infrastructure Limited's Withdrawal of its Objection to the DCO Scheme

Further to this matter we write on behalf of our client Network Rail Infrastructure Limited (**Network Rail**) in relation to the DCO Scheme.

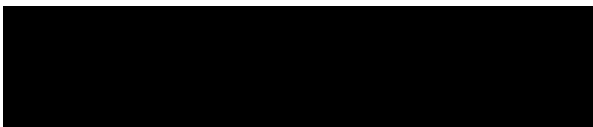

Following Network Rail's internal investigations and a comprehensive review of the documentation available on the DCO portal, Network Rail is satisfied that the Scheme, as set out in the application documents at the date of this representation, does not have any substantial interactions with Network Rail's interests and assets.

Accordingly, Network Rail considers that its interests as the operator of the national rail network are adequately protected and unlikely to be detrimentally affected by Scheme. On that basis, Network Rail formally withdraws its objection to the Scheme.

For the avoidance of doubt, Network Rail reserves the right to make further representations should the scope of the Scheme and/or supporting documentation be amended or otherwise changed in a manner that may affect Network Rail's assets and/or interests.

Should you have any queries, please don't hesitate to contact us.

Yours faithfully

Addleshaw Goddard LLP
