Explanatory Note for the Land Rights Tracker (LRT)

Introduction

- 1.1 This Schedule of Land and Rights Negotiation Tracker has been prepared by BSSL Cambsbed 1 Limited (“Brockwell Storage and Solar”) (“the Applicant”) alongside the Statement of Reasons [EN010141/DR/4.1] to demonstrate that the Applicant has complied with the compulsory acquisition guidance (Department for Communities and Local Government (DCLG), September 2013) and explain why it is necessary and justifiable for the Application to seek powers for compulsory acquisition for the East Park Energy Order (hereafter referred to as “the Scheme”).
- 1.2 The Applicant is presently and will continue to engage with affected parties to seek to acquire the relevant freehold interests, new rights, and temporary use of land by agreement, to ensure fulfilment of the Scheme. Whilst seeking compulsory acquisition powers, the Applicant will continue to negotiate with the aim to reach voluntary agreement. The approach of seeking powers of compulsory acquisition in the Application for Development Consent Order (DCO) whilst also negotiating to acquire land rights by agreement, accords with paragraph 26 of the compulsory acquisition guidance (Department for Communities and Local Government (DCLG), September 2013).

Category 1 Owners

- 1.3 Part 1 of the LRT includes all Category 1 Owners or Reputed Owners identified within the Book of Reference [EN010141/DR/4.3] where acquisition of land and rights is required.

- 1.5 The LRT does not include commentary with Category 3 interests identified in the Book of Reference [EN010141/DR/4.3], as none were identified. Therefore, not subject to any acquisition of land, rights nor temporary possession.
- 1.6 Where no interest has come forward declaring or proving ownership of unregistered plots, negotiations are not ongoing.

Part 2 – Cat 2 Statutory Undertakers

- 1.7 Part 2 of the LRT includes a summary in respect of voluntary agreements being sought with Category 2 Statutory Undertakers interests in the Book of Reference [EN010141/DR/4.3] as having rights and/or apparatus within the Order Limits.
