Subject: RE: East Park Energy – DCO Application Reference EN010141 Representation on behalf of PS Manor Farm Solar Ltd [OC-OC_UK, [REDACTED]]

Dear Louise,

I would like to update you on the above matter.

Save for three emails from the applicant's solicitors Burges Salmon dated 20th and 25th August and 1 September confirming that they have requested money on account in order to give an undertaking for costs, which undertaking has still not been provided, there has been no other progress on the applicant's part in terms of an asset protection agreement or protective provisions.

Kind regards

[REDACTED]
