Dear Sirs

Having been informed by the Applicant that their consultant, due to a personal issue, was unable to attend the above this resulted in the Health and Wellbeing agenda item not being explored fully and in the depth that is required. This absence was not known beforehand to IPs who attended the Hearing and as Health and Wellbeing is a fundamental issue in the examination process I invite the Inspectorate to arrange a further Health and Wellbeing Hearing.

I look forward to hearing from you.

Thank you.

P Mitchell
