

I write to provide an update regarding discussions which are being held between the Applicant and Anglian Water Services on this DCO application.

In respect of the Statement of Common Ground (SofCG) a draft has been submitted previously under document reference: EN010142/APP/9.15 (October 2024). We are continuing to work through the outstanding matters and remain confident that agreement can be reached between parties on these in time for a final SofCG to be submitted for Deadline 6 (1st April 2025).
