Published: 11 March 2025

Responses are due by Deadline 6: Tuesday 1 April 2025

### **Note to interested parties**

The Examining Authority (ExA) reminds Interested Parties (IPs) that the recommended schedule of changes to the dDCO follows a statutory process. It is made irrespective of the recommendation made by the ExA to the Secretary of State (SoS) and is not an indication that the ExA has already made up its mind on the proposed development.

**IPs participation and written responses will be treated as being given without prejudice to the any position or view they hold on the scheme. IPs are asked to identify any outstanding concerns on the drafting of the dDCO that they have raised previously and are not addressed below.**

Please note that where parties have indicated that discussions are ongoing in relation to the wording of protective provisions, these matters may not have been included in the table below.
