**The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017**

**Certificate of compliance with regulation 16**

I hereby certify that in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 -

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement, and a map was given to the consultation bodies in accordance with regulation 16.

- in relation to the application for an order to grant development consent for Botley West Solar Farm (the Project), which is situated in parts of the administrative boundaries of West Oxfordshire District Council, Vale of White Horse District Council, Cherwell District Council, and Oxfordshire County Council.

The Project comprises the construction, operation, maintenance and decommissioning of a solar photovoltaic (PV) electricity generating facility with a capacity of 840 megawatts (MW) and export connection to the National Grid. The Project accommodates ground mounted PV generating stations (incorporating solar arrays); grid connection infrastructure; cable route corridors; accesses and environmental mitigation and enhancement measures.
