Dear [REDACTED],

Thank you for your emails in relation to our communication regarding the issue of the Rule 6 documentation for the Botley West Solar Farm examination of an application for a Development Consent Order. We did not specifically send this to Indigo Networks to undertake a Plant Enquiry as we were informing your organisation of the date and time of the Preliminary Meeting for this case. We contacted Indigo Pipelines Limited as a Statutory Party.

The case covers a number of post code areas and the coordinates I have are for a centre point with a easting of 444745 and a northing of 212771 in the British National Grid system. A location plan showing the extent of the order limits can be seen on our project page on the Find a National Infrastructure Project website at <https://infrastructure.planninginspectorate.gov.uk/wp->

[content/ipc/uploads/projects/EN010147/EN010147-000636-EN010147\\_APP\\_8.2%20-%20Location%20Plan.pdf](content/ipc/uploads/projects/EN010147/EN010147-000636-EN010147_APP_8.2%20-%20Location%20Plan.pdf).

I hope this information assists you in progressing your work.

Kind regards,

Simon
