You don't often get email from [REDACTED]@mod.gov.uk. [Learn why this is important](#)

Dear Mr Raywood,

Thankyou for the reply to my query regarding the RAF Brize Norton statement for the proposed Solar farm at Botley West on the Planning Website at <https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN010147/representations/71240>

I understand from your e-mail the original text cannot be altered. In which case, as you suggested, I would like to submit amended text, as an additional submission, to be put forward making clear it supersedes the original version, as follows:

"Under UK Military Aviation Regulations, as Aerodrome Operator, I am charged with providing a Safe Operating Environment at both RAF Brize Norton and RAF Weston on the Green. Due to the location, I have interests about the site, orientation and it's effect on the safe operation of aircraft. Whilst not exhaustive, the interests primarily extended to; "glint and glare", changes in wildlife patterns, and interactions with Primary Surveillance Radar equipment".

Kind Regards,

[REDACTED]
