SP46558 17803	PRoW 34/6/10, 342/1/10, 413/5/40, 413/5/50	<p>PRoWs surround and go across a large field of panels near [REDACTED] with a view SW from 342/6/10 into Blenheim Palace with Column of Victory on horizon.</p> <p>No existing viewpoint in this field apart from one in top NW corner point N</p>	
SP 45247 10664	Field Gate between [REDACTED]	Residents of [REDACTED] would be overwhelmed by panels 50m away stretching up hill to 1km+. But all their houses are rented from Blenheim. Residents are unwilling to invite ExA into their property for fear of eviction by Blenheim. This field gate on a public road shows same views.	
SP 46334 12734	Meeting of 5 PRoW on Spring Hill	<p>420/15/10, 420/15/20, 420/15/30, 420/16/10, 420/14/10, 420/14/20 (Frogwelldown Lane/Shakespeare Way) Elevation 98m, the highest point on Central site. The owner of [REDACTED] can provide access up the private road from Begbroke to within 150m of this point - to avoid a long walk to reach the location. (See separate request for ASI from owner - number 9 on the map.</p>	<p>Meeting point of 5 PRoW looking West towards Church Hanborough. Spire of SS Peter and Paul in the distance</p> 

d farmhouses that are not accessible as they are owned by landlords who are working with the Applicant

	<p>Lower Dornford Farm, Wootton, looking SE. Panels would stretch to hedge of Dornford Lane PRow on horizon</p> 		
	<p>View from Purwell Farm west to Church Hanborough (spire on horizon). Gooseye Farm in centre.</p> 		 <p>Would be surrounded by panels. Owner leasing land to PVDP</p>
