Dear Simon,

Please find attached a further two submissions for deadline D1 (see previous email, below).

4. A written version of comments relevant to the Issue Specific Hearing 1 (ISH1) on the DEVELOPMENT CONSENT ORDER on 15th May
5. A written submission of comments that would be relevant to an Issue Specific Hearing on SOCIO-ECONOMICS, should one be called in the future. I think there may be sufficient other socio-economic issues to justify such an ISH.

As per the instructions in Annex D of your 28th March 2025 letter to IPs (Your Ref EN010147), I formally request to be included as an Interested Party in any further Open Floor Hearing.

Again I would be grateful if you could let me know these documents have been received safely.

Yours sincerely,

David Rogers
