27 June 2025

Application by Botley West Solar Farm Development

Dear Sir or Madam,

On 16 June 2025, the Examining Authority (ExA) published written questions and requests for information (ExQ1)

For those questions which were directed at the Civil Aviation Authority, along with other interested parties, the table below provides the answers from the Civil Aviation Authority.

1.1.2	Applicant All Local Authorities Oxford Aviation Services Limited Civil Aviation Authority	<p>The National Policy Statement for Airports</p> <p>Given the proximity of Oxford Airport and the services offered therefrom, comment on whether the National Policy Statement for Airports has any important and relevant matters for this Examination, and/ or for the Secretary of State (SoS) to be mindful of.</p> <p>CAA answer: Having reviewed the Airports National Policy Statement the CAA are satisfied that the impact of the proposed solar farm will have no impact on the infrastructure referred to in the plan.</p>
-------	--	--

If the ExA has further questions on these or any other topic, we will be happy to provide whatever assistance we can.

Yours sincerely,

A black rectangular box redacting the signature of the Principal Aerodromes Inspector.
