

We refer to Deadline 2 today, which is the deadline for responses to the Examining Authority's First Written Questions. In response to Question 1.7.22, SGN and the Promoter have recently agreed a form of Protective Provisions and a form of side agreement. The agreed form of Protective Provisions should be included within the next submitted draft Development Consent Order at Deadline 3.

SGN hopes to be in a position shortly to remove its objection to the Application and will thereafter provide a further update to the Examining Authority.
