Subject: RE: EN010147- Botley West Solar Farm

Good afternoon [REDACTED],

Thank you for your email.

This was not a formal plant enquiry but is connected to the examination of an application for development consent for the Botley West Solar Farm. Due to the nature of the site layout covering land in three districts we do not have a specific address or single post code. The main co-ordinates we have in the British National Grid system are easting: 444745 and northing: 212771. There is a location plan available on our website at https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010147/EN010147-000636-EN010147_APP_8.2%20-%20Location%20Plan.pdf and the book of reference and land plan on our website identifies specific parcels of land within the order limits.

Kind regards,

Simon

Subject: EN010147- Botley West Solar Farm

Planning Act 2008 – Section 89 and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 8 and 9

Application by Photovolt Development Partners (PVDP) on behalf of SolarFive Ltd for an Order Granting Development Consent for the Botley West Solar Farm

Examination Timetable and Procedure

Dear Sir / Madam

Please find below a link to a letter from the Examining Authority (ExA) that has been published on the National Infrastructure Planning website.

The letter provides the Examination Timetable for the above application (the 'Rule 8' letter), an invitation to submit Written Representations, details of the publication of the Examining Authority's first Written Questions, requests for Local Impact Reports from Local Authorities, information about the hearings, Accompanied Site Inspections and other important information about the Examination.

You can view the letter using the website address (URL) below or by scanning the QR code at the bottom of this letter.

<https://infrastructure.planninginspectorate.gov.uk/document/EN010147-000816>

You can also view the letter under the Documents tab on the project webpage of the National Infrastructure Planning website:
