Dear Case Team

My Reg ID as an interested party for the proposed Botley West Solar Farm is : 200 55 241

My details are:

Tim Sumner

[REDACTED]

As an affected resident by this proposal I would like to request an accompanied site visit by the Inspector to [REDACTED] to view the effect the current proposals have on the Protected Monument and also the route of the proposed cable run which will go right through known further remains of the town.

I understand a site visit request is being made to [REDACTED] which is up the road to me and so, may I suggest that both visits are done on the same day to save your time.

Thank you for your attention

Yours

Tim Sumner
