[You don't often get email from [REDACTED] Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

Please consider the inappropriate size and location of this proposal. It stretches for about 8 miles from Tackley in the north to Cumnor in the south. It affects a large amount of green belt and heritage asset's, not to mention listed buildings and good agricultural land. Oxford is already encircled by solar panel developments. The Botley West scheme is inappropriate and would have a detrimental impact on many dwellings.
