Comments
The residential property has a separate driveway to Willow Park Development, with no public access to the rear of the property from the development. The rear garden (to the east of the property) is open (post and rail fence) and the front garden (to the west) is contained by a hedge. Buildings on the Willow Park Development and the mature hedgerow to the south / southeast screen views to the southeast and the hedge along the front garden, adjacent to Cumnor Rd screens views to the west.

PVDP Buffer Zone Analysis

An aerial photograph of a large solar farm, showing numerous rows of solar panels installed in a field. The panels are arranged in a grid-like pattern, and the surrounding landscape appears to be a mix of agricultural fields and some trees in the distance. The image is in grayscale, with the text overlaid in white and yellow.
