Categories: SoS Consultation 2 Response

I've tried explaining that we're too far north for solar farms but you won't have it. So just get on with it. Sooner it's built, sooner you'll realise it doesn't work, sooner you'll knock it down, sooner you can do something useful instead. Don't be a [REDACTED] all your life. But I've said that before.

Application by Photovolt Development Partners (PVDP) on behalf of SolarFive Ltd for an Order Granting Development Consent for the Botley West Solar Farm Project

Dear Sir / Madam

Please find below a link to a letter from the Secretary of State (SoS) that has been published on the National Infrastructure Planning website.

<https://nsip-documents.planninginspectorate.gov.uk/published-documents/EN010147-002638-For%20Publishing%2011%20June%20-%20All%20IPs%20Consultation%20-%20Botley%20West%20Solar%20Farm.pdf>

You can also view the letter under the documents page of the project webpage on the National Infrastructure Planning website:

<https://national-infrastructure-consenting.planninginspectorate.gov.uk/projects/EN010147>

Yours faithfully
