You don't often get email from [REDACTED]

I am very concerned that PVDP may be intending to make substantial new submissions around the 16th July, when they have been told by the SoS that their deadline for submissions is the 9th of June.

This would be grossly unfair to the opponents of their plans, who would have no reasonable time to respond.

If the views of the local population are important to Mr Burnham, this whole scheme should be refused.

At the very least PVDP should not be allowed to make a mockery of the whole planning system with its total disregard of the statutory framework established by the Planning Act 2008.

Kind regards,
