Dear Secretary of State

Botley West Solar Farm: EN010147

I am extremely disappointed that the Applicant's late submissions have been accepted, I do not think this was an acceptable decision. The result is even further delay in the planning decision and yet another request for response from Interested Parties.

I am a supporter of the Stop Botley West campaign and fully endorse the comprehensive SBW submission of 16 July [\[C2-161\]](#). I am very concerned indeed that despite these new proposals the Application is still irretrievably flawed. Too many questions remain unanswered and the Applicant seeks to defer too many important decisions until after any development consent is granted when they will be beyond public scrutiny and challenge.

I respectfully request the Secretary of State to refuse outright the grant of a DCO for this development.

Yours sincerely

Fiona McGregor
