Dear Secretary of State

Botley West Solar "Farm": EN10147

I am a supporter of the Stop Botley West campaign and fully endorse the comprehensive SBW submission of 16 July (C2-161). The Application is flawed and too many questions remain unanswered.

Furthermore, to propose such a scheme in close proximity to a World Heritage Site is completely unacceptable.

I ask the Secretary of State to refuse outright the grant of a DCO for the Applications

Yours sincerely

Richard C Tomkins
