Subject: Request to Speak at the Open Floor Hearing on 22 June 2026 – Tween Bridge Solar Farm
Date: 05 May 2026 21:47:25

Dear Sir/Madam,

I am writing regarding the Tween Bridge Solar Farm Development Consent Order application (Project Reference: EN010148).

I would like to formally request the opportunity to speak at the next Open Floor Hearing scheduled for 22 June 2026.

In addition, I respectfully request that the hearing be held at a venue closer to the proposed development site. Many local residents who wish to participate have concerns about accessibility. The previous venue in central Doncaster requires up to 50 minutes' travel time and has limited parking, which presents particular difficulties for individuals with mobility issues. A more suitable local venue, such as the Green Tree or another nearby alternative, would significantly improve access for the affected community.

I also wish to raise my dissatisfaction with certain responses I have received from the RWE project team via email. I would welcome the opportunity

to discuss these matters in more detail during the Open Floor Hearing. For reference, the most recent email from RWE was received this evening after 6pm.

Finally, I intend to compile a list of relevant destinations that would be beneficial to visit in order to gain a deeper understanding of the unique characteristics and performance of the drainage system at the site.

Thank you for your attention to this matter. I look forward to your response and confirmation of my request to speak.

Kind regards

Michael Brooke
