1 Introduction

1.1. Overview

1.1.1. This Statement of Commonality has been prepared on behalf of RWE Renewables UK Solar and Storage Ltd (the 'Applicant'). This document provides the Examining Authority (ExA) with the position on Statements of Common Ground (SoCG) between the Applicant and relevant statutory consultees and Interested Parties in relation to the proposed Tween Bridge Solar Farm. It will be updated throughout the course of the Examination. The content of this revision (Revision 6), submitted at Deadline 6, is accurate as of 22 September 2026.

1.2. Structure of Statement of Commonality

1.2.1. This Statement of Commonality document is structured as follows:

- Section 2 – Details the structure of each SoCG document and provides a list of the SoCGs that are being produced;
- Section 3 – Addresses the status of each SoCG; and
- Section 4 – Sets out the commonality between SoCGs and a summary of their position

2 List of SoCGs and Content Structure

2.1. List of SoCGs

2.1.1. The following SoCGs have been prepared in draft form and are currently under discussion with the relevant stakeholders:

- City of Doncaster Council Statement of Common Ground [Document Reference 9.1 Revision 5]
- North Lincolnshire Council Statement of Common Ground [Document Reference 9.2 Revision 5]
- Environment Agency Statement of Common Ground [Document Reference 9.4 Revision 4]
- National Grid Energy Transmission Statement of Common Ground [Document Reference 9.5 Revision 4]
- Lincolnshire Wildlife Trust Statement of Common Ground [Document Reference 9.6 Revision 2]
- Doncaster East Internal Drainage Board Statement of Common Ground [Document Reference 9.7 Revision 4]
- Isle of Axholme and North Nottingham Water Level Management Statement of Common Ground [Document Reference 9.8 Revision 3]
- Natural England Statement of Common Ground [Document Reference 9.9 Revision 4]
- National Highways Statement of Common Ground [Document Reference 9.10 Revision 5]
- Network Rail Infrastructure Statement of Common Ground [Document Reference 9.11 Revision 3]
- Canal and River Trust Statement of Common Ground [Document Reference 9.12 Revision 3]

- South Yorkshire Fire and Rescue Service Statement of Common Ground [REP3-062]

2.1.2. The ExA requested in the **Rule 6 Letter [PD-005]** that a SoCG be prepared with Historic England. Historic England confirmed that no SoCG was required for this application. A copy of this correspondence is provided at Appendix A of this document.

2.1.3. As explained at the Preliminary Meeting (PM), and confirmed in the Written Summary of Oral Submissions at the Open Floor Hearing 1 [REP1-045], the Applicant has contacted Humberside Fire and Rescue Service to enquire about preparing a SoCG regarding the scheme. Humberside Fire & Rescue Service have confirmed that they do not require a SoCG for this application. A copy of this correspondence is provided at Appendix B of this document.

2.2. Structure of the SoCGs

2.2.1. In terms of the SoCGs submitted at Deadline 6 (22 September 2026), they adopt a uniform structure as follows:

- Section 1 – Introduction, setting out the purpose of the document, stating the parties the SoCG is relevant to, and cross reference to the definition of terminology.
- Section 2 – Record of Engagement, presented in a table from the initial correspondence through to present day.
- Section 3 – Current Position, outlining separate topics including each party's position and whether it is agreed, under discussion or not agreed.
- Section 4 – Signatures of each party.

3 Status of SoCGs

3.1. Summary of Current Position

3.1.1. Table 1 provides a high-level position on the status of each SoCG and where necessary includes further detail to aid the understanding of the status.
