# 1 Introduction

## 1.1. Purpose of this Document

- 1.1.1 This document should be read alongside the **Guide to the Application [APP-004]** submitted with the application. It contains further information regarding the structure of the application and an explanation of the documents submitted at that time.
- 1.1.2 This document [**Document Reference 8.1 Revision 9**] has been created to act as a document tracker for the purposes of the Examination. Table 1 sets out the documents submitted with the DCO application and at each Examination deadline, including the version of each document if relevant. The purpose of this is to ensure that the latest version of every document, and new documents, are clear.
- 1.1.3 At each stage:
- Documents that have been superseded will have a strike through the text; and
  - Documents that have been added/submitted will be identified in red text.
