ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
		Erection of 329 no. dwellings, formulation of new access points from Sleaford Road and Dunston Road, provision of new internal access roads, and, provision of new sustainable drainage infrastructure							development may give rise to cumulative effects with the Proposed Development.
5	18/0437/FUL	Applicant: D.B.Lawrance and Associates Limited Determining authority: North Kesteven District Council Erection Of 6no Light Industrial Units (B1) Including Associated Parking, Access Road and change of use of site.	1.46km SE	Approved 17 August 2018	1	Yes	No - No environment assessment technical reports prepared as part of the application.	N/A	N/A
6	EIA/37/22	Applicant: Unknown Determining authority: Lincolnshire County Council Proposed construction of an Anaerobic Digestion Plant and associated infrastructure	2km NE	Issued 16 December 2022	2	Yes	Yes	Uncertain – documentation does not specify dates.	Yes - the overall site is approximately 8ha. The size and nature of the development may give rise to cumulative effects with the Proposed Development.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
7	23/0390/EIASCO	<p>Applicant: Pegasus Group</p> <p>Determining authority: North Kesteven District Council</p> <p>Navenby Heath battery storage project: Erection of 400MW Battery Storage Development incorporating 324no. Containerised Battery Storage Units, 54no. transformer/inverter blocks and 8 back up auxiliary transformers, 4no. storage containers for spare parts etc, substation comprising 4-6no. switchgear units, a control room and a HV compound with 2 Step-up Transformers, associated access tracks, inverter, switchgear substations, boundary treatments and CCTV</p>	2km NW	<p>Scoping Opinion 14 September 2023</p>	2	Yes	Yes	Uncertain – documentation does not specify dates.	Yes - the overall site is approximately 11.8ha with the developable area approximately 5ha. The Scoping Report sought to scope out all environmental factors, apart from landscape and visual. However, North Kesteven District Council has requested that archaeology and cultural heritage, agricultural land, climate change, major accidents, and waste (hazardous waste disposal) be scoped in. The size and nature of the development may give rise to cumulative effects with the Proposed Development.

ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
8	21/1609/FUL	<p>Applicant: Stonegate Farmers Ltd</p> <p>Determining authority: North Kesteven District Council</p> <p>Proposed erection of additional 8 no. poultry units with associated infrastructure</p>	3.21km SE	Approved 19 May 2022	1	Yes	Yes	Uncertain - documentation does not specify dates.	No – the site is located at an existing poultry rearing facility encompassing an area of approximately 3.9ha. 8 additional units of a similar scale and appearance to the existing units will be required. The size and nature of the development is not anticipated to give rise to cumulative effects with the Proposed Development.
9	19/0631/FUL	<p>Applicant: RCS Commercial Properties Ltd</p> <p>Determining authority: North Kesteven District Council</p> <p>Erection of 17 commercial units (B2 Use)</p>	6.06km NW	Approved 26 November 2019	1	Yes	No - The application is for additional industrial units on an existing industrial estate.	N/A	N/A

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
10	EN010151	<p>Applicant: Beacon Fen Energy Park Limited</p> <p>Determining authority: PINS</p> <p>A 400MW solar photovoltaic farm incorporating up to 600MVA Battery Energy Storage System and on-site substation and electrical connection, including solar PV panels up to 4.5m in height; single stacked BESS units up to 4.5m in height; security perimeter fencing; hedgerow improvements; ecological enhancements; above and/or below ground electrical cable connection at up to 400kV; associated development and ancillary works.</p>	7.45km SE	Pre-application – expected to be submitted to PINS Q3 2024	2	Yes	Yes	Yes – construction is anticipated to start in 2026 (subject to consent)	Yes - the site comprises two areas of land equating to approximately 1,036 ha, although not all of this area will be developed with above ground infrastructure. The size and nature of the development may give rise to cumulative effects with the Proposed Development.
11	17/1615/FUL	<p>Applicant: JHG Planning Consultancy Ltd</p> <p>Determining authority: North</p>	8.39km NW	Approved 27 November 2018	1	Yes	Yes	No	No – the application site occupies an area of approximately 0.98ha upon land situated

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
		Kesteven District Council Erection of 20 no. dwellings.							within the established built environment. The size and nature of the development is not anticipated to give rise to cumulative effects with the Proposed Development.
12	EN010154	Applicant: Fosse Green Energy Limited Determining authority: PINS The Scheme comprises the installation of solar photovoltaic panels, associated electrical equipment, cabling and on-site energy storage facilities together with grid connection infrastructure. At this early stage, the connection to the national grid is being explored. The generating capacity of the FGE Scheme will exceed 50MW. and its capacity is anticipated to be	11.24km NW	Pre-application – Application is expected to be submitted to the Planning Inspectorate in Q4 2024	2	No	Yes	Uncertain	Yes – the solar and energy storage park is approximately 1003ha. The size and nature of the development may give rise to cumulative effects with the Proposed Development.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
		approximately 320MW.							
13	EN010123	<p>Applicant: Ecotricity (Heck Fen Solar) Limited</p> <p>Determining authority: PINS</p> <p>The Proposed development will comprise the construction, operation and decommissioning of a solar photovoltaic electricity generating facility exceeding 50 MW. output capacity, together with associated energy storage. The installed capacity of the solar generation is expected to be in the order of 500MW.</p>	12.97km SE	Examination	1	No	Yes	Construction will commence, at the earliest in the Spring 2025 for 30 months. Earliest operation Autumn 2027.	Yes – the site extends to approximately 644.5ha. The size and nature of the development may give rise to cumulative effects with the Proposed Development.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
14	17/1038/FUL	Applicant: Persimmon Homes Nottingham Determining authority: NKDC Erection of 91no. residential (C3) dwellings comprising of 2no., 3no., and 4no., bed houses and the associated infrastructure, site accesses and landscaping.	5.44km NW	Approved	1	Yes	Yes	Uncertain - documentation does not specify timescales. No evidence from aerial imagery that development has commenced.	Yes – the application site occupies 2.9ha of greenfield site. Both developments have potential impacts on Limestone Heath LCA and Viking Way and therefore the potential cumulative effects should be assessed.
15	23/1246/FUL	Applicant: Lindum Group Limited Determining authority: NKDC Erection of 94 no. dwellings, formulation of new vehicular access from Station Road and internal access roads and provision of areas of open space, landscaping and drainage infrastructure.	7.84km NE	Approved 8 August 2024	1	Yes	Yes	Uncertain – documentation does not specify dates.	No – the application site occupies an area of 4.35ha at the edge of an existing area of residential development. Based on the zones of influence, and size and nature of the development, it is not considered to give rise to cumulative effects.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
17	23/1267/FUL	<p>Applicant: Lindensium C/o Lincs Design Consultancy</p> <p>Determining authority: NKDC</p> <p>Proposed residential development for 118no dwellings, along with the construction of associated garages and various site works including the excavation of an attenuation pond.</p>	9.03km N	Registered	1	Y	Y	Uncertain – documentation does not specify dates, but will be five phases of development	No - the application site occupies an area of 6.69ha to the north east, at the edge of an existing area of residential development in Washingborough. Based on the zones of influence, size and nature of the development, it is not considered to give rise to cumulative effects.
18	24/0583/FUL	<p>Applicant: Lindum Group</p> <p>Determining authority: NKDC</p> <p>Residential development of 34 affordable dwellings at Land to the East of High Dyke, Navenby, Lincolnshire including associated infrastructure and landscaping.</p>	1.27km W	Registered	1	Y	Y	Uncertain - documentation does not specify dates, but potential for construction phases to overlap based on application date.	Yes – the application site occupies an area of 1.47ha to the west, at the eastern edge of residential development in Navenby. Based on the zones of influence, there is the potential for cumulative effects between the two developments.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
19	24/0390/RESM 23/1223/RESM	Applicant: Sleaford Property Developments Ltd Determining authority: NKDC Reserved matter applications pursuant to outline consent 13/0498/OUT as amended by 17/1355/VARCON (erection of 1,450 dwellings, primary school, care home, Local Centre, Public Open Space and associated infrastructure).	7.89km S	Registered 13/0498/OUT approved 15/07/2015	1	Y	Y	Uncertain – the original ES documentation estimates completion by 2029/2030, construction work evident from aerial imagery (wider site)	No - the outline planning application site occupies an area of 61ha, to the south of Sleaford, with parcels 6 and 8 part of this. The site has already been considered within the traffic and transport TEMPro growth factors for operational traffic. Latest information suggests build out will be complete by 2027 therefore no cumulative construction impacts.
20	23/1519/OUT	Applicant: HPA Chartered Architects Determining authority: NKDC Erection of 37 no. dwellings, new estate roads, surface water drainage infrastructure and play area (part of residential site	2.43km	Registered	1	Y	Y	Uncertain – documentation does not specify dates, but potential for construction phases to overlap based on application date.	No - the application site occupies an area of 1.3ha to the south east, at the northern edge of residential development in Ruskington. Although within some of the identified zones of influence, the scale and nature

'Other Development' Details						Stage 1		Stage 2

		allocation NK/DIG/001).							of the development is such that it is not considered to give rise to cumulative effects.
21	23/1462/OUT	Applicant: AG Property Associates Ltd Determining authority: NKDC Erection of up to 17 no. dwellings and formulation of new vehicular access from Fen Lane (outline with access to be considered)	2.42km N	Registered	1	Y	Y	Uncertain – documentation does not specify dates, but potential for construction phases to overlap based on application date.	No - the application site occupies an area of 0.99ha to the north, at the edge of the village of Dunston. Although within some of the identified zones of influence, the small scale and nature of the development is such that it is not considered to give rise to cumulative effects.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
22	23/1460/OUT	<p>Applicant: Orchid Properties Ltd</p> <p>Determining authority: NKDC</p> <p>Outline application for up to 35 dwellings with all matters reserved except access.</p>	9.93km W	Registered	1	Y	Y	Uncertain – documentation does not specify dates, but potential for construction phases to overlap based on application date.	No - the application site occupies an area of 1.8ha to the west, at the southern edge of residential development in the village of Basingham. Based on the size and nature of the development, it is not considered to give rise to cumulative effects.
23	24/0711/FUL	<p>Applicant: T Balfe Construction Ltd</p> <p>Determining authority: NKDC</p> <p>Residential development of 152 dwellings, new junctions to Mill Lane, associated open space, foul pump station and sustainable drainage system</p>	6.5km E	Registered	1	Y	Y	Uncertain – documentation does not specify dates, but potential for construction phases to overlap based on application date.	No - the application site occupies an area of 6.8ha to the east, at the south western edge of residential development in Billingham. Based on the size and nature of the development, it is not considered to give rise to cumulative effects.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
24	Sleaford West Sustainable Urban Extension 16/0498/OUT	<p>Applicant: The Drove Landowners Partnership</p> <p>Determining authority: NKDC</p> <p>Erection of up to 1,400 dwellings, care home, two form entry primary school, secondary education facility, employment land (3 hectares – Class E (g) industrial processes, research and development and offices), local centre (incorporating family restaurant/public house, 40 bed hotel, health centre, 1,190m2 of Class E (a) retail floorspace with offices above and a community centre), public open space and outdoor sports facilities, formation of new roundabout onto A15, highway improvements to Drove Lane and St Deny's Avenue, associated infrastructure, and demolition of existing</p>	5.4km S	Approved 11 April 2023	1	Y	Y	Uncertain – aerial imagery suggests build out still in progress.	Yes – the application site occupies an area of 76.6ha to the north east of Sleaford. Based on the size and nature of the development, including potential use of the A15/A17 for construction traffic, there is the potential for cumulative effects between the two developments.

‘Other Development’ Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for ‘other development’ and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
		buildings (outline with means of access)							
25	Lincoln South East Quadrant 16/1564/OUT 24/0841/RESM	Phase 1A Lincoln South East Quadrant Sustainable Urban Extension North Of Canwick Avenue And East Of London Road Bracebridge Heath – Residential development of up to 450 dwellings, provision of primary school land (1.8ha) and formation of roundabout on Canwick Avenue along with associated highways, drainage and open space infrastructure (outline with means of access)	9.48km S	Approved 20 December 2022		Y	Y	Uncertain - documentation does not specify dates, but potential for construction phases to overlap based on decision date.	Yes – the application site occupies an area of 21.26 hectares to the north of Bracebridge Heath. Although infill/edge of town residential development, based on the number of dwellings and infrastructure requirements, there is the potential for cumulative effects.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
26	Dunston quarry PL/0094/23	Applicant: Daniel Charles Aggregates Ltd Determining authority: LCC For a southern extension to Dunston Quarry at Land south of Dunston Quarry, Lincoln Road, Dunston	2.84km N	Approved 16 May 2024	1	Y	Y	Yes - operation of the quarry will coincide with construction and operation of the Proposed Development.	Yes – the quarry will be extended by 6.3ha south of the existing quarry over a 15 year period. There is the potential for cumulative effects (e.g. noise) at common nearby receptors, and combined use of the B1188.
27	Mareham Lane Solar 23/1419/FUL	Applicant: Mareham Lane Solar Limited Determining authority: NKDC Installation of a solar farm comprising ground mounted solar PV panels with a generating capacity of up to 49.99MW (AC), including mounting framework, inverters, underground cabling, stock proof fence, CCTV, internal tracks and associated infrastructure, landscaping and ecological works for a temporary period of 50 years.	9.58km S	Registered	1	Y	Y	Uncertain - documentation does not specify dates, but potential for construction phases to overlap based on decision date. Site will be operational during similar timescales to Proposed Development.	Yes – the site measures 75.91ha and is formed of two parcels of land with the cable being laid within the highway to the point of connection at Sleaford Substation. Based on the zones of influence, there is the potential for cumulative effects between the two developments.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
28	Scopwick 23/1283/ FUL	Applicant: Blankney Estate Limited Determining authority: NKDC Hybrid planning application seeking full planning for use of land as public open space and outline planning permission for residential development (14 dwellings).	Located within the Site Bounding Circle (10km buffer) as outlined in Figure 16.1	Registered	1	Y	Y	Uncertain - documentation does not specify dates, but potential for construction phases to overlap based on decision date.	Yes – the site measures 2.52ha. Although only small scale development, based on the immediate proximity (and smaller zones of influence identified for some topics), there is the potential for cumulative effects between the two developments.
29	Station Road, Waddington 24/0760/FUL	Applicant: LNT Care Developments Determining authority: NKDC Erection of a 66 bedroom care home (Use Class C2) for the elderly including access, parking and landscaping.	8.53km	Registered	1	Y	Y	Unlikely - development is to be operational within 16 months of permission being granted.	No - the total site area is approximately 0.52ha and is located to the south of Station Road, Waddington. Based on the size and nature of the development, it is not considered to give rise to cumulative effects.

'Other Development' Details						Stage 1		Stage 2	
ID	Application Reference	Applicant for 'other development' and brief description	Distance from Proposed Development	Status	Tier	Within Zol?	Progress to stage 2?	Overlap in temporal scope?	Scale and nature of development likely to have a significant effect?
30	RAF Digby Office Building 24/0959/FUL	Applicant: RAF Digby Determining authority: NKDC Proposed office and training building.	Located within the Site Bounding Circle (10km buffer) as outlined in Figure 16.1	Registered	1	Y	Y	Uncertain - documentation does not specify dates, but potential for construction phases to overlap based on submission date.	Yes – the site is located directly adjacent to the Order Limits within Springwell West and the will utilise the A15 for access.
31	Sleaford Moor Enterprise Park 20/1357/EIASC 20/1475/FUL	Applicant: NKDC Determining authority: NKDC Hybrid planning application for the construction of an employment park incorporating the construction of site-wide infrastructure works comprising access, drainage, earthworks and strategic landscaping	5.78km SE	Registered	1	Y	Y	Uncertain – planning permission granted in 2021. Documentation does not include timescales, but aerial imagery shows only partial build out to date.	Yes - the site is approximately 14.7ha in size and immediately adjacent to the A17 strategic highway network and comprises Grades 2 and 3 agricultural land.
32	Greylees development – Former Rauceby hospital 23/0759/FUL	Applicant: The Planning Hub Determining authority: NKDC Residential development of former Rauceby Hospital to provide 28 no. apartments and 10 no. dwellings,	8.23km S	Registered	1	Y	Y	Uncertain – documentation does not state construction phases, potential for overlap given submission date, but key haul routes likely to differ.	No – the site is part of infill/edge of town residential development within the village of Greylees. Based on the size and nature of the development, and distance
