Dear [REDACTED]

Planning Act 2008 (as amended) – Section 55 Application by Beacon Fen Energy Park Ltd for an Order Granting Development Consent for the Beacon Fen Energy Park, Adequacy of Consultation request

I am responding on behalf of Cambridgeshire County Council to your e-mail communication of 9 April 2025 regarding the above.

Having had regard to Sections 42, 47 and 48 of the Planning Act, I am of the view that Beacon Fen Energy Park Ltd has carried out adequate pre-application consultation in accordance with the provisions as set out in Sections 42, 47 and 48.

The Applicant has correctly identified Cambridgeshire County Council as a neighbouring authority to be a Section 43 consultee of the statutory consultation and having read the Applicant's Consultation Report I am satisfied that they have undertaken a thorough and inclusive consultation programme in support of the Beacon Fen Energy Park scheme. In this respect, Cambridgeshire County Council considers the Applicant's consultation to be adequate in line with Sections 42, 47 and 48 of the Planning Act 2008.

Yours sincerely

Service Director, Environment, Planning and Economy

Adequacy of Consultation Representation Proforma

Under *Section 55(4)(b) of the Planning Act 2008 (PA2008)* the Planning Inspectorate, on behalf of the Secretary of State, must take any adequacy of consultation representation (AoCR) received from a local authority consultee into account when deciding whether to accept an application for development consent, and this will be published should the application be accepted for examination.

An AoCR is defined in s55(5) in PA2008 as “a representation about whether the applicant complied, in relation to that proposed application, with the applicant’s duties under sections 42, 47 and 48”.
