Dear Sir/ Madam,

I write in connection with the above prior to the close of the Examination.

The applicant's closing statement submitted at Deadline 8 (document reference REP8-029) refers to the following position regarding Anglian Water.

- **Anglian Water** - The parties have agreed provisions relating to the interface between the Proposed Development and the proposed Lincolnshire Reservoir Project and these were included in the **Outline CEMP (REP7-020)** (paragraphs 2.8.8, 3.6.11 & 12), and **Outline DEMP (REP7-022)** (paragraphs 1.6.3 & 4) submitted at Deadline 7. The Applicant has updated the protective provisions included at Part 3, Schedule 11 of the **draft DCO submitted at Deadline 8 (Document Ref. 3.1)** and it is understood that these provisions are in agreed form, pending Anglian Water's internal governance process. It is understood that Anglian Water will provide confirmation to the Examining Authority that the protective provisions are agreed once this process is complete.

This email is to provide written confirmation that the Protective Provisions which have been included by the Applicant in the final DCO at Deadline 8 for the benefit of Anglian Water are now agreed.

Yours faithfully,
