THE PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017

NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR EIA DEVELOPMENT

The Secretary of State for Energy Security and Net Zero (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 that a determination has been made on an application made by National Grid Electricity Transmission plc (“the Applicant”) for development consent under the Planning Act 2008 (“the 2008 Act”) for development that constitutes “Environmental Impact Assessment development” as defined in the 2017 Regulations.

Beacon Fen Energy Park (“the Proposed Development”) comprises of the construction, operation and decommissioning of a ground mounted solar photovoltaic electricity generating facility of over 50 megawatts capacity, Battery Energy Storage System, bespoke access corridor and associated export and connection infrastructure to the Bicker Fen Substation. The Proposed Development is located approximately 6.5 kilometres northeast of Sleaford and 2.5km north of Heckington, within the administrative area of Lincolnshire County Council. At the local level, the majority of the Proposed Development lies within the administrative boundaries of North Kesteven District Council, with the southern extent of its proposed cable corridor and ground works for the connection to the Bicker Fen Substation within Boston Borough Council

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application, that development consent should be **granted** for the Proposed Development.

The statement of reasons for deciding to make an Order granting development consent, which has been prepared by the Secretary of State under section 116 of the 2008 Act and regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development, is published on the Planning Inspectorate’s website:
