Dear 

I'm contacting you on behalf of Boom Power regarding the [Fenwick Solar Farm](#). As you may be aware, we are currently preparing for the project's statutory consultation.

Whilst the Order limits of the Scheme fall entirely within the boundary of City of Doncaster Council, our consultation zone extends into North Yorkshire (please see attached consultation mailing zone map). As such, we would appreciate any support your authority can provide in ensuring we reach the correct groups within your area.

Attached to this email is our an initial hard to reach/community group database – we would appreciate if you could review this and provide any organisations you are aware of that it would be beneficial to include in the consultation. This database is also being shared with City of Doncaster Council and East Riding of Yorkshire for their inputs.

Please could you provide any additional information by 16 February 2024? We request that any additions/amendments to the database are highlighted in some way, to enable us to track any edits.

Any questions in the meantime, please let me know.

Kind regards
