

Planning Act 2008

Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Certificate of compliance with section 56 of the Planning Act 2008

I hereby certify that, in compliance with the requirements of section 56 of the Planning Act 2008—

- (a) notice of the accepted application was given to the required persons identified in accordance with section 56, except in the case of Fenwick Solar Project Limited who was not given notice as it is the Applicant for the accepted application the subject of this notice;
- (b) a copy of the accepted application and accompanying documents and information was made available to the required persons; and
- (c) the accepted application was published in the required manner.

- in relation to the application for an order to grant development consent for the Fenwick Solar Farm (the Scheme), which is situated within the administrative area of City of Doncaster Council. The Scheme comprises approximately 509 hectares.

The Scheme comprises the construction, operation and maintenance, and decommissioning of a solar photovoltaic (PV) electricity generating facility and associated development. The associated development includes, but is not limited to, a Battery Energy Storage System, On-Site Substation, underground cabling to provide export and import connection to the National Electricity Transmission System (NETS), and areas of landscaping and biodiversity enhancements.

The connection to the NETS will be either via underground cabling along a corridor in which three 400 kV cables would run for approximately 6.3 km from the Solar PV Site to the Existing National Grid Thorpe Marsh Substation; or via underground cabling between the On-Site Substation and existing overhead power lines within the Solar PV Site, which also connect to the Existing National Grid Thorpe Marsh Substation.

The deadline date for all representations to be received by the Secretary of State under section 56 was 23:59 on 24 January 2025.
